60) An attempt was first made to obtain the permission of Government to refuse the leave to Sri R. Chakravarthi and to permit him to utilise the same after the date of superannuation, viz., 6-2-1954. In the meanwhile, a recommendation was made to Government to extend his services by one year. There was some correspondence between Government and the Department in the matter. In the interval, the official attained his 55th year; but the Department continued his services even thereafter undertaking an assurance from the official that he would not claim any pay or remuneration for the period of his work after 6-2-1954 in the event of his services not being extended. Orders refusing him extension of services beyond 6-2-54 were issued on 9th April 54. On a further representation from the Department, the matter was once again considered and the period of service rendered by the official from 6-2-54 (the date of superannuation) to 10-4-54 was treated as extension of service. From the above it may be observed that necessary concession has been shown to the official already. There seems to be no need to grant him any further concession by way of grant of leave from 10-4-54.

Sir,

I write to state that Sri R.Chakravarti, Archaeological Assistant of this Department who attains the age of superannuation on 6-2-54 had applied for combined leave for six months on 17-8-1953. The Technical personnel of the Department of Archaeology consists of a skeleton staff which is just sufficient to carry out the normal duties of the Department. The gazetted post of Assistant to Director and the non-gazetted post of Technical Assistant have also been vacant. Nevertheless, all the items of important work relating to the exploration and study of inscriptions, monument(s), ancient sites, etc., as well as of the publications of the Department that are in the press have to be attended to. The routine tours of inspection etc., have to be undertaken particularly during this part of the year.

Under the circumstances, it was found necessary

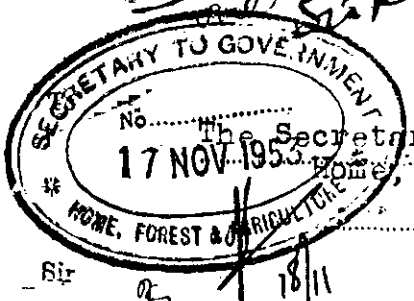
OFFICE OF The Director of Archaeology,
Mysore.

Date 13th November 1953.



The Secretary to Government of Mysore,

Public Offices, BANGALORE.I.

Sir

I am enclosing herewith a copy of the representation dated 13-11-1953 submitted by Sri R.Chakravarti, Archaeological Assistant praying for the grant of extension of one year's service for the favourable consideration of Government.

Sri R.Chakravarti is the Archaeological Assistant of this Department drawing a pay of Rs.150/- in grade 100-10-150 with effect from 1-1-1951 and is due to retire on 6-2-1954. Although Sri R.Chakravarti started his service as Pandit in the Education Department and was transferred to the Department of Archaeology in the year ~~X~~ 1930, he has acquired a very good knowledge of the different aspects of Archaeological work particularly Epigraphy for a period of over 20 years. By virtue of his long association with the epigraphical work of the Department and the consequent experience gained by him, he has been a useful assistant. The work of the Archaeological Department is of a technical nature which is usually

acquired by practical experience. Hence it would perhaps be advantageous to continue the services of Sri R.Chakravarti especially in view of the fact that a good number of the epigraphical publications of the Department are still in various stages of completion and may require at least another year for their publication in the final form. In view of the good work done by him and the domestic difficulties represented, his case for an extension of service by one year deserves the sympathetic consideration of Government.

I solicit kind orders of Government

Yours faithfully,

Copy of representation dated 13-11-1953 submitted by Sri R.Chakravarti, Archaeological Assistant, Department of Archaeology, Mysore.

I have passed the Kannada Pandit Examination with Kannada, Sanskrit and English as my subjects of study. I have a good working knowledge of English also. I have been working in the Department of Archaeology for over twenty two years now.

For the duration of my service in the Department of Archaeology, I have been engaged chiefly in Epigraphical research, collecting, translating and interpreting a good number of inscriptions. I have also a good knowledge of Tamil and have edited numerous Tamil inscriptions of the Bangalore District for publication in the Bangalore Supplement of the Epigraphia Carnatica Besides accompanying the Director of Archaeology during his tours of inspection and study these 22 years, I have also toured independently all over the State for the survey and study of ancient inscriptions. I have been able to discover many copper plate and lithic records which have contributed in no small measure to the enrichment of our knowledge of the ancient history of the Mysore State. These are facts, Sir, which are well known to you.

I have assisted the Director in the compilation and publication of the Annual Reports and other works of the Department. I have, by virtue of my long experience, acquired als a knowledge of the History of architecture and numismatics, not to speak of excavation. The work that I have been doing in the Department for the last 22 years is of a highly technical nature, involving the knowledge of three languages and the technique of scientific research. Taking all the above facts into consideratio I was appointed as Archaeological Assistant from 1-1-1947.

You were good enough to direct me to accompany the Director General of Archaeology, Government Epigraphist of India and the Superintendent of Archaeology, Southern Circle, during their visit to ancient monuments in the Mysore State. I learn that these officers have appreciated my knowledge and activity. I am hale and healthy and can undertake any work assigned to me and discharge them to your satisfaction.

As I have to maintain a large family of ten children to whom I must give education and other facilities in these hard days and am the only earning member of the family at present, I shall be immensely grateful if you can kindly recommend the grant of extension of my service by at least one year in the circumstances represented above.

I hope my prayer will have your sympathetic consideration.

I am forwarding herewith a copy of representation dated 12-4-1954 submitted by Sri R.Chakravarti, retired Archaeological Assistant of this Department praying for the grant of leave refused to him during the period of his service. Further, the period during which he worked after the date of superannuation viz: 6-2-54 to 10-4-54 has been recommended to be treated as on duty (vide this office letter No.54 dated 17-4-54

Under the circumstances, I recommend that the leave

prayed for may kindly be granted to Sri R.Chakravarti.
